Begin your ritual.

Healthy Scalp

Balances oil. Soothes the root. Restores clarity.
Scent blend: Peppermint, Rosemary, Citrus Twist

Transcendent — Essential Oil Blend

Opens with a cooling wave of peppermint and rosemary. Crisp. Herbal. Clarifying. Bright citrus notes of bergamot and grapefruit twist through the mint for an effervescent finish.

Key ingredients

Lemon Extract: natural astringent that clarifies buildup and helps regulate oil.

Kale Extract: vitamins A, C, and K support scalp barrier strength and follicle health.

Max Shine

Smooths the cuticle. Weightless hydration. Reflective radiance.

Scent blend: Coriander, Ginger, Amber Woods

Euphoria — Essential Oil Blend

Delicate spice, golden woods, and herbal brightness melt into a radiant, skin-close glow. Created with a European fragrance house, this is the olfactory expression of shine.

Key ingredients

Chamomile Extract: soothes, subtly brightens, and supports a naturally glossy finish.

Coconut & Baobab Oils: fast-absorbing fatty acids that soften the fiber and add shine without weight.

Clean formulas. Elevated sensoriality.
Designed for modern salons.
